[HCV7 - Hospital Incident Command System \(AWR-934-V7\)](#)

Dates: 6/02/2021 10:00 AM - 12:00 PM

Description: This course, Hospital Incident Command System explores the Hospital Incident Command System as a methodology for effectively applying the incident command system in a healthcare environment.

Location: Online

[HCV2 - Mass Casualty Incident Response \(AWR-934-V2\)](#)

Dates: 6/08/2021 9:00 AM - 10:30 AM

Description: This course, provides mass casualty triage education and practical experience in the application of the SALT (Sort, Assess, Lifesaving Interventions, Treatment/Transport) Mass Casualty Triage Algorithm.

Location: Online

[OLS - V4 - Hospital Planning for Mass Casualty Incident Surges: Natural Disasters \(AWR-933-V4\)](#)

Dates: 6/15/2021 10:00 AM– 11:00 AM

Description: This course, provides guidance in planning for operational response (s) related to naturally occurring Mass Casualty Incidents in terms of number and types of casualties, casualty acuity, types of injuries to anticipate staffing, logistical, and surgical needs.

Location: Online

[ICS 300 - Intermediate Incident Command System for Expanding Incidents](#)

Dates: 6/21/2021 - 6/23/2021

Description: This course is intended to serve as a vehicle to share proven incident management strategies and practices, as well as to enhance teamwork and coordination among the agency's mid-level managers and command staff directly responsible for emergency response to all-hazards incidents in which the Incident Command System (ICS) is employed. Each registrant will need to develop a Student Portal Account through TEEX in order to register for the class. To create an account visit: <https://teex.org/resources/student-portal/>

Location: Waxahachie EOC, 630 Farley St., Waxahachie, TX 75165
